

## PROGRAM OVERVIEW

With every swipe of a Local Heroes co-branded Gesa Visa® Debit Card, Gesa members earn funds designated for grants in that card's Local Heroes category (Firefighters, Healthcare Heroes, Law Enforcement, Educators, and Veterans). The Gesa Local Heroes Grants Program awards these funds to eligible organizations across the state that support Local Heroes in regions where Gesa is active. Applications are accepted annually in June for awards ranging up to \$50,000. The funding amounts each year are dependent on the total funds raised the prior year through the Local Heroes co-branded Gesa Visa Debit Cards. Gesa's Grant Giving Committee reserves the right to partially fund grant applications. Grants are awarded annually in mid-September.

## ELIGIBILITY

To qualify for a Local Heroes grant, an organization must provide proof that the requested project funds will support a Local Heroes population (Firefighters, Healthcare Workers, Law Enforcement, Educators, and Veterans) in a Gesa community. A Gesa community is defined as a county where Gesa has a physical location. Currently, these include the following counties:

- Benton
- Chelan
- Clark
- Franklin
- Grant
- King
- Kitsap
- Kootenai
- Pierce
- Snohomish
- Spokane
- Walla Walla
- Whitman
- Yakima

Grants will not be awarded for the following:

- Activities, groups, or events not in a Gesa Community
- Administrative expenses
- Projects whose primary purpose is religious or political
- Organizations where funds would be used for the purpose of building assets or capital
- Sponsorship requests that benefit or fund a single individual's participation in an event or activity
- Requests that benefit a private, for-profit business or private business owner
