

Self-Funded Plan Notice of Privacy Practices

Health Insurance Portability & Accountability Act of 1996 (HIPAA)

The notice describes how medical information about you may be used and disclosed and how you can get access to this information (effective January 1, 2022.) Gesa Credit Union's Self-funded Plan ("The Plan") are committed to protecting your health information. The Plan is required by HIPAA law to maintain the privacy of your medical information by the terms of the most current Notice of Privacy Practices, and to provide you with this notice of its legal duties and privacy practices with respect to your health information. The Plan reserves the right to change the terms of this Notice of Privacy and to make any new Notice provisions effective for all Protected Health information (known as "PHI"). The Plan will inform all participants of changes to this Notice and provide a new and update Notice of Privacy each time a change in content occurs.

I. Confidentiality Practices and Uses

The Plan may access, use or share medical information:

- 1. Treatment.** During the course of your care, Protected Health Information (known as "PHI") may be disclosed to treatment providers as appropriate/necessary to ensure the quality and continuity of your care. The treatment exception allows doctors to share health information about a patient in order to assure that the patient receives proper care.

- 5. Business Associates.** We may contract with individuals or entities known as Business Associates to perform various functions on our behalf or to provide certain types of services. In order to perform these functions or to provide these services, Business Associates will receive, create, maintain, transmit, use, and/or disclose your protected health information, but only after they agree in writing with us to implement appropriate safeguards regarding your protected health information. For example, we may disclose your PHI to a Business Associate to process your claims for Plan benefits or to provide support services, such as utilization management, pharmacy benefit management, or subrogation, but only after the Business Associate contracts with us.

- 1. Notification and Communication with Family.** We may disclose your health information to notify or assist in notifying a family member, your emergency contact or another person responsible for your care about your location, general condition or in the event of your death.
