<sup>1</sup> A fee of 1.00% of the amount of the transaction, calculated in U.S. dollars, will be imposed on all multiple currency foreign transactions, including purchases, cash withdrawals and credits to your account. A fee of 0.80% of the amount of the transaction, calculated in U.S. dollars, will be imposed on all single currency foreign transactions, including purchases, cash withdrawals and credits to your account. Transactions completed by merchants outside of the United States are considered foreign transactions, regardless of whether you are located inside or outside the United States at the time the transaction was initiated.

<sup>2</sup> There is a limit of five fees per day we charge for overdrawing an account regardless of the type of overdraft. For example, if an account has 3 Returned Item Fees and 3 Overdraft Fees, only 5 fees will be assessed.

<sup>3</sup> Funds transfer and transfer fee will occur even if sufficient funds are not in savings to pay the overdraft in its entirety. However, if the transfer is not sufficient to cover the overdraft, then the transfer fee will be refunded.

<sup>4</sup> A payment can be rejected and re-presented multiple times. We will charge a Returned Item or Overdraft Fee each time an overdraft transaction is presented for payment, even if it was previously rejected and a Returned Item Fee was previously charged.

<sup>5</sup> Fee to pay items includes ACH, checks, and recurring debit card payment transactions. This fee also applies for overdraft coverage for everyday debit and ATM withdrawals if the member has affirmatively opted in for this service.
